## Rail-Schedule regarding blockage harbour line

Dear customer,

To the already known construction works on the line Emmerich-Oberhausen (19.08.2023 to 29.09.2023) there will be an additional closure of the harbour line Botlek-Pernis in the following time:

Saturday, 16.09.2023, 23:00 hrs. to Monday, 18.09.2023, 07:00 hrs.

During this time, no shunting movements are possible between the terminals on the Maasvlakte. The RWG Slot on Saturday will take place, however, strongly shortened, which resulted in less handlings.

Due to this track closure, the following train arrival in Neuss will change:
