Dear Customer,

We have just received the very short notice that a 5 hundredweight bomb from the 2nd World War has been found during exploratory work.

The bomb will be disarmed today at 4:30 p. m. Traffic into Tilsiter Street is possible until 3:45 p.m. After that the access road to the terminal is locked. Terminal operations are not affected and may continue.

The access road will be reopened after successful disarming.

We thank you for your understanding.
