## Construction work Emmerich - Oberhausen

Dear customer,

We would like to inform you that due to construction work, the Emmerich - Oberhausen line will only be passable on one track

from Friday, 19.02.2020, 21:00 hrs to Friday, 26.02.2021, 21:00 hrs.

As you surely know, the train connection we offer is thus also affected.

Various trains will be rerouted via Venlo. Due to this detour, there will probably be a delay in arrival of 150 minutes in Rotterdam. This will result in shorter slot times and a reduction in the number of moves agreed with the seaport terminals.

So far, the following connections will have to be cancelled as a result of this construction works:

### RAIL Rotterdam-Neuss-Rotterdam

Rotterdam-Neuss		Neuss-Rotterdam	
Date		Date	
21.02.2021	10:27 hrs	22.02.2021	00:30 hrs
23.02.2021	09:56 hrs	24.02.2021	03:00 hrs
25.02.2021	09:56 hrs	26.02.2021	03:00 hrs

Change for terminal connections:

Rotterdam-Neuss			Neuss-Rotterdam		
Date			Date		
25.02.2021	15:56 hrs	RWG + APMTII instead of ECT + APMTII	24.02.2021	17:30 hrs	RWG + APMTII instead of ECT + APMTII

Should there actually be further reductions in the number of moves at the seaport terminals, it is possible that we will be forced to suspend individual connections.

Due to the above-mentioned circumstances, it is possible that we will not be able to guarantee the usual high reliable punctuality of our train service. However, we can guarantee that we will use all our possibilities to handle your container transports in the best possible way.

Of course, we will inform you as soon as possible about changes of any kind.

We thank you in advance for your understanding.

With kind regards,

Optimodal Nederland B.V.
