DeCeTe Cargo Card

Dear Customers,

For pick-up/drop-off containers at DeCeTe terminal in Duisburg, we currently charge a fee of 45,00 €, in addition to the multistop and the extra kilometres.

With effect from 01.04.2021, the terminal operator will charge us an increased fee, which will force us to raise the current price by 15,00 € to 60,00 €.

We ask for your attention and thank you for your understanding.

With kind regards,

Optimodal Nederland B.V.
