

Rotterdam, 13.10.2022

Maintenance works rail crane 1700

Dear Customers,

We have been informed by DP World Terminal 1700 that in the period

from 26.10.2022 – 28.10.2022

maintenance work will be carried out on the rail crane and for this reason train dispatch is not possible.

Therefore, we will not be able to unload/load containers to/from Terminal 1700 by train during the mentioned period.

As from Saturday, 29.10.2022 a connection with our train services will be possible again.

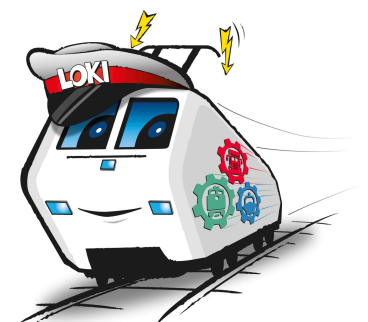

We ask you to consider this in your planning.

If you have any further questions, our Customer Service teams will be happy to assist you.

We thank you in advance for your understanding.

With kind regards,

Optimodal Nederland B.V.

Good. Better. Optimodal.
