Track closure harbor line Rotterdam 02.-08.11.2021

Dear Ladies,
dear Sirs,
dear partners of Optimodal,

By this way we have to inform you that in the beginning of November major construction works will be carried out on the railroad line from/to Maasvlakte.

According to the current status, it will therefore not be possible for us to offer train services in the period from

Tuesday, 02.11.2021, 05:00 to Monday, 08.11.2021, 05:00.

Last departure before construction works

Ex Rotterdam		Ex Neuss	
Date		Date	
01.11.2021	15:57 hrs	01.11.2021	17:30 hrs

First departure after construction works

Ex Rotterdam		Ex Neuss	
Date		Date	
08.11.2021	15:57 hrs	08.11.2021	00:30 hrs

This will affect the entire train traffic in this period and not only Optimodal Nederland B.V..

Of course, we will do our best to reliably transport the containers entrusted to us by barge, but we kindly ask for your understanding, that we are not yet able to guarantee the usual reliable handling.

We hope that the construction work will be of shorter duration and thank you for your understanding.

With kind regards,

Optimodal Nederland B.V.
