Water level | low water surcharge (LWS)

Dear customer,

With reference to our letter of 02.09.2024, we inform you that due to the current water level of Duisburg-Ruhrort of 5:00 a.m. with 2.92 m, no LWS will come into effect until further notice. Please note the water level at www.elwis.de.

Should the trend in the next few days point again in the direction of the LWS, we will of course inform you immediately.

Thank you very much for your understanding.
