Crane maintenance terminal 1700 Antwerp

Dear Customers,

We have been informed by DP World Terminal 1700 that in the period from 20.06.2021 - 25.06.2021 work will be carried out on the crane system which handles the trains. Therefore, we will not be able to unload/load containers to/from Terminal 1700 by train during the mentioned period.

From Saturday, 26.06.2021 a connection with our train services will be possible again.

Our barge services will remain on the same reliable high level and are not affected.

We ask you to consider this in your planning. If you have any questions, please do not hesitate to contact our Customer Service staff.

We thank you in advance for your understanding.

With kind regards,

Optimodal Nederland B.V.

Good. Better. Optimodal.
